Rummaging for a Bargain

Marion's Annual Rummage Sale to Benefit Community Groups

Now that the familiar yellow school buses are tooling around the tri-town area and the community beach fronts have cleared as summer residents head back to their full-time habitats, it's apparent that the busy summer season has come to a close.

In addition to the upstart of school, there are other events throughout the area which herald the oncoming fall season: the sudden color schemes of the trees as they shed their leaves, the cool breezes blowing across the water as the temperature begins to drop, and a bevy of garage, yard and rummage sales as residents clear out their storage spaces in preparation for the winter months ahead.

King among these annual traditions is Marion's 1993 Rummage Sale, an event which has become quite an attraction not only with the locals, but with many people from surrounding communities as well.

Starting as early as 8:30 am on Friday, September 17, people will be lining up outside the Howard Johnson Arena at Tabor Academy in Marion looking to uncover some previously hidden treasures from someone's basement.

"One man's junk is another man's treasure," agreed Loretta Schaefer of the Friends of the Marion Visiting Nurses Association, Inc., one of the two co-sponsors of this year's event. "I think that's the attraction (of the sale). You can find some very good bargains."

Started some 30 years ago by the Friends of the Marion Visiting Nurses Association (FMVN), the intent of the sale was to raise money to pay the salaries of area nurses and home health aides. In its fledgling years, the event was held in St. Gabriel's Church Hall, but later grew to such proportions that it was moved to the Music Hall on Front Street and, finally, to more roomy accommodations at Tabor Academy.

Four years ago, the FMVN joined with St. Luke's Hospital and is now run under their auspices but has retained a local office in Marion. The organization essentially funds programs within the confines of the town and Ms. Schaefer stressed that all the money raised from the Rummage Sale will be used in Marion.

"Generally speaking, we usually raise about \$10,000 each year," she said. "When you figure the average price of the items is 50 cents, that's a remarkable achievement."

For the first time this year, the Friends have joined forces with Volunteers at Sippican

Elementary (VASE) to co-sponsor the sale. VASE serves very much the same function as a PTA for the school, and raises money for school programs and events. Ms. Schaefer noted the combined efforts of the two organizations will provide ample volunteers to staff the annual event.

"This is a nice partnership with VASE," she said. "One of the worries we had was running out of volunteers to work every year ... so now VASE has provided some much-needed help."

With an event of this scale, Ms. Schaefer said the sale has drawn people from all corners of the community and — having worked it for the past ten years — some of the regular attendees have made a lasting impression.

"Over the years I've gotten to know the people who come to the sale," she said. "I met one woman who comes from Connecticut and she looks forward to it every year. She buys her grandchildren clothes for the year and probably spends no more than \$15. There was another gentleman who came with two other well-dressed people and they would buy a lot of things and send them to Poland. I know there are a lot of people who take a full- or half-day off from work just to attend the sale."

The merchandise sold at the annual sale is donated from people in and around Marion. Although many of the items are average household commodities which have sat around gathering dust in someone's garage, in the past the organizers have been known to come across some interesting

On the cover: The colorful tugboard "Popeye" is moored outside its home at Barden's Boatyard in Marion. The 17-foot tug was built by the boatyard two and a half years ago and is used on a regular basis to push the company's mooring barge and to tug smaller boats. Barden's Vice President Fred Colson was the one responsible for christening the vessel with its cartoon character's namesake.

donations.

"You'd be amazed at some of the stuff we collect," Ms. Schaefer said. "I sometimes wonder whether we should go into the house cleaning business. But we have received some valuable donations, and we've had people come in and appraise the things we know are worth more than a dollar or two. Last year we had a beer mug that we sold for \$150."

It's clear that the Rummage Sale is more than just a fundraiser. It's become something of a tradition with Marion residents and an annual pilgrimage for antiquarians and collectors from throughout southeastern Massachusetts.

"There are many smaller rummage sales sponsored by different groups in the area, but this has to be one of the biggest in southeastern Massachusetts," Ms. Schaefer said.

And not only will this year's event help fund two important organizations in town, but Ms. Schaefer agreed it will also afford local residents a chance to work together toward a common goal.

"To me the best thing about the sale is bringing the community together," she said. "This year we're going to have the young mothers (of VASE) working through the retirees ... and they're all looking forward to it."

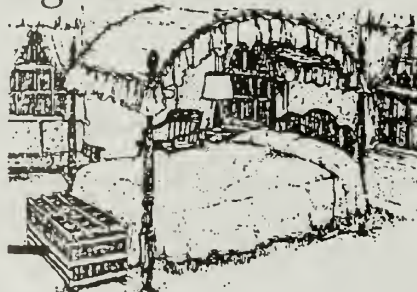

The Rummage Sale will be held this Friday, September 17 from 10:00 am to 5:00 pm in the Howard Johnson Arena at Tabor Academy in Marion. The arena will be open to receive donated articles through Thursday, September 16 from 9:00 am to 4:00 pm.

Lambalot, and Executive Secretary Carol Adams. Selectman Daniel O. Mahoney was absent from the meeting.

Upon calling the meeting to order, Chairman DeCosta thanked the New Bedford City Council for their efforts in protesting the proposed Environmental Protection Agency (EPA) method of disposing of the PCB's in New Bedford Harbor. The council met, joined by Rep. Barney Frank, on Sunday September 12 with the Hands Across the River Association. At this meeting, Chairman DeCosta expressed his concern regarding the wind patterns' effect on the town upon the burning of the PCB's.

Following the signing of the payroll, licences, and bills for the week, Selectman Lambalot motioned not to purchase from Dennis Mahoney and Sons Inc., a parcel of land removed from Forestry Management Plan P420, pending review by Selectman Mahoney.

September 7 Board of Selectmen Meeting, Chairman DeCosta reviewed the following outgoing mail for the week:

- A copy of a letter from Harbormaster Steve Mach acknowledging the efforts of Sharon Briggs and Holly Francis for their landscaping talents at the town wharf. Chairman DeCosta announced that the board is looking into donations of a sprinkler system.

- Correspondence to Louise Souza, Executive Director of the Housing Authority, recommending that William A. Calise be considered for the state appointment to the authority.

- A letter advising Mr. Calise of his recommendation for appointment to the Housing Authority.

Meetings scheduled throughout the week include a SRTA Meeting in Swansea to be held on Thursday, September 16 at 5:00 pm.

The board next reviewed the incoming correspondence for the week:

- Kerry A. Shortle submitted a letter of resignation from the Board of Appeals. Ms. Shortle states that she can no longer meet time demands required due to family and professional responsibilities. The board accepted her resignation with regret.

- Notice was received that the Second Annual Municipal Forum will be held on Wednesday, October 6 at the Royal Plaza Hotel in Marlboro. Chairman DeCosta regrets he cannot attend.

- SEMASS will conduct the Annual SEMASS Run for the Environment on Saturday, October 2.

Each community contracted with SEMASS is asked to designate a runner to compete in the local division of the 10K race. Executive Secretary Carol Adams announced that Leo Belanger of North Street will represent the town, replacing last year's candidate, Dr. Drew Nahigyan.

- Kevin Paulson submitted at letter of resignation as a member of the Mattapoisett Police Department. Mr. Paulson's six month leave of absence expired on September 11. Chairman DeCosta will send a letter of appreciation to Mr. Paulson for his service to the town.

- Andrew Bobola, Inspector of Buildings, sent a letter addressing Mr. DiCara's concerns with regard to abandoned property on Creek Street. "The current status shows the owners have completed all state and local requirements, and on April 23, 1993, the Gasparis were granted permission to rebuild their home, but to date have not applied for a Building Permit," he wrote.

- Continental Cablevision submitted to the board the new rates and charges schedule. The Standard Service Package includes a decrease of 26 cents overall. Buzzards Bay Action Committee, extends his thank you to the board for urging Senators and Congressmen to lobbying for funds for the salaries of Project staffers. Also, the Coastsweep Program will begin on Saturday, September 18, and run through October 11. Mr. Luttrell also requests that the board consider designating September 18 as Coastsweep Day in Mattapoisett. Selectman Lambalot motioned to adopt the request and September 18 will be Coastsweep Day.

• William Nicholson, Water/Sewer

Superintendent submitted a proposal for the purchase of water and sewer billing software for approval by Board of Selectmen. Before the board votes regarding the approval, Selectman Lambalot and Carol Adams will request two other bids for said equipment.

Under the Executive Secretary's report, the Special Town Meeting will be postponed due to delays regarding the debt of \$91,000 and another \$11,000 in interest to the town of Fairhaven for the town's share of the Water/Sewer Treatment Plant. The board will decide on Friday, September 17, on the new Town Meeting and Election dates.

The board next met with Warren C. Thompson and Joseph Souza to honor their longstanding service to the town. Warren C. Thompson served twenty years as a member of the Board of Appeals. Selectman Lambalot handed Mr. Thompson a Certificate of Appreciation on behalf of the town stating, "That kind of dedication makes the town what it is." Mr. Thompson responded with a thank you and "of course I didn't like your elevator." The town hall's elevator has been out service for some time preventing Mr. Thompson

from attending several meetings. Mr. Thompson regretted that the non-functioning elevator prevented him from the duty to the town he so enjoyed. Rep. Bill Straus also presented Mr. Thompson with a certificate from the state.

Chairman DeCosta then handed Mr. Joseph Souza a Certificate of Appreciation for the fifteen years he served on the town's Conservation Commission. After receiving the certificate, Mr. Souza said, "It takes all the volunteers to cooperate and make the town what it is. Nobody ever left a meeting cross." Rep. Straus, having served on the Conservation Commission for three years with Mr. Souza, said he was pleased to be able to give him a Certificate of Appreciation from the state.

There being no other business to come before the board, Chairman DeCosta dismissed the meeting at 8:05 pm.

Marion Selectmen's Meeting

September 14, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 14 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Loretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray Pickles, and Secretary Helene Craver.

After approving the minutes of the September 7 meeting and signing the warrants, payrolls and bills for the week, Chairman Dougall read over DPW Superintendent Rob Zora's weekly report. Mr. Zora noted that the department will continue with repairs to the gazebo outside the Town House, will start on the computer room at the main water station this week, and will also be taking water meter readings throughout the upcoming week. Construction work on the east and west wells is also underway.

Under incoming correspondence for the week, Chairman Dougall noted a letter from Virginia Burke, Associate Director of Public Affairs for New England Telephone, regarding the town's recent requests to expand service on its 748 exchange. Ms. Burke noted that the billing structure has been changed to accommodate the inequity in Marion's service by charging 16 cents for residential toll rates within a 15 mile radius (local calls). Such calls cost 31 cents under the former structure.

Ms. Burke said that she realizes this doesn't satisfy Marion's request to be able to call more area cities and towns on the local exchange (without being charged a long distance toll), but it is an attempt to rectify the lack in service to town.

A copy of the initial permit application for the Sprague's Cove/Front Street Stormwater Remediation Project was next sent to the board from the Army Corps of Engineers. The Corps determined that the project, as described, is eligible for a federal permit known as the Massachusetts Programmatic General Permit (PGP) and must meet certain conditions before being granted. Mr. Pickles noted that this is the initial core permit and the project will next have to be approved through a public hearing process and receive permits from the local boards.

Mr. Pickles sent the board a memo advising them that the previous high bidder on the surplus police cruiser, Robert Smagacz, has withdrawn his bid of \$2,200 due to unanticipated events and he recommended that the board accept the second highest bid of \$1,500 from Murphy's Auto Salvage in Rochester. The board unanimously approved Mr. Pickles' recommendation.

Dennis F. Luttrell, Executive Director of the Buzzards Bay Action Committee (BBAC) submitted a letter of appreciation to the board for their assistance in regaining lost funds for the committee. Mr. Luttrell also asked that they consider declaring Saturday, September 18 as Coastal Sweep Day in Marion to coincide with the kickoff of the annual statewide Coastsweep Program which runs through

October. The board unanimously approved the request.

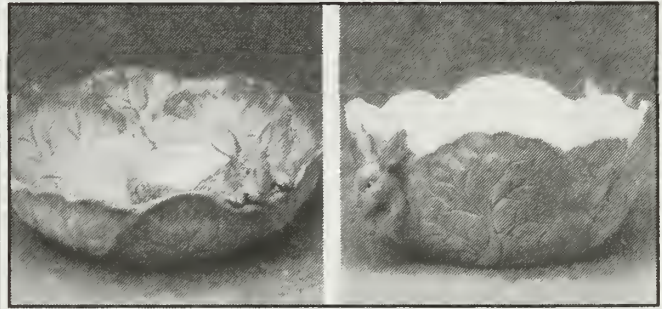

At 7:15 pm, Randy Parker came before the board to state his interest in filling a vacancy on the Conservation Commission (ConCom). Mr. Parker said he has an interest in preserving the natural resources in town and thinks he would be a valuable asset to the ConCom. "I've been following the ConCom from the sidelines," he said. "I think the commission should go by the rules ... but I also feel that if a person has a piece of property in an area that has been built up in an area where there are a lot of established residences, we should work to make the lot usable."

Selectman Schaefer asked whether Mr. Parker would be willing to uphold the rules or would be inclined to bend them to suit an individual's needs. Mr. Parker noted that he thinks it would be better to work with the resident and try to help them meet their goals.

The board thanked Mr. Parker for coming before them, at which time Selectman Schaefer moved to appoint Lesleigh Anderson of Front Street, who was appointed at the beginning of the summer as an Associate Member of the ConCom, to fill the full-time vacancy.

"Since she was appointed as an Associate Member with the stipulation that she would later be brought on as a full member, I think we should appoint her," Ms. Schaefer said. "She's made an effort to attend all the meetings throughout the summer and I think we've waited long enough to appoint someone. We can also appoint Mr. Parker as an Associate Member so he can learn about the

board and the Wetlands Protection Act."

Chairman Dougall abstained from voting on the appointment since he currently has an Order of Conditions pending with the commission. Selectman Winters said he would like more time to consider the appointment before making a final decision. "I'd like to wait a week or two to think about it before we make a final decision," he said. "I agree we should act on this in the next two weeks, though."

Cathy Jones, a resident of Main Street, next came before the board to ask their help and advice on a tree which is located on the corner of Main and School Streets in front of her home. The tree is diseased and dying and she has requested that it be taken down and replaced with a healthy sapling. "(Tree Warden) Ron Winters has been reluctant to take the tree down for some reason," Mr. Pickles said. "I think a letter from the board would encourage him to do so."

Ted Mahoney of Windjammer Construction next came before the board to ask if they would be able to assist him in tying in some 15 pieces of property along Delano Road to the town's sewer line. "We have a rough plan and we'd like to work with the town and ask if we can get some fees waived to help us proceed with the project," Mr. Mahoney said. The development in question would provide some 15 residences and would also allow another 40 residents along Delano Road to tie into the sewer line.

Mr. Pickles noted that Delano Road was one of the areas that was not deemed critical in a recent sewer study. Selectman Schaefer asked Mr.

Mahoney and his associate to prepare a more detailed proposal and come back to the board so that they could make a better judgment on the feasibility of the plan.

At 7:30 pm, Chairman Dougall called a Public Hearing to order to consider the matter of betterments on Ichabod Lane. Mr. Dougall noted that the board was to decide whether the residents of the street would be assessed a betterment on the basis of foot frontage or the number of lots owned. Selectman Winters abstained from participating in the hearing due to a relative who resides on the street.

Attorney Mary Kelleher began presenting a case for her clients, Russell and Elizabeth Ladner, who originally purchased three separate lots on Ichabod Lane and later combined them to total 465 feet of frontage after the decision to repair the road was made in July, 1991. Ms. Kelleher argued that due to changes in the town's by-laws, the minimum lot requirement rendered two pieces of property unbuildable, forcing the Ladner's to split their property once again, leaving them with only one built-on lot.

Residents originally petitioned against the Ladner's making these lot changes in their property, forcing the Board of Selectmen to hold the hearing to decide how the assessments were to be made.

Resident Richard Roszkiewicz wanted to know what prevented the couple from making any changes in the lots in the future. "What's preventing them from changing the configuration later on to make one of the lots bigger and more acceptable to building?" he asked.

But resident Carl Lamoureux suggested that the matter was rather simple — the betterments should all be based on the original agreement signed and agreed to by all residents of Ichabod Lane. "The betterment charges should be equally beared by all lot owners," he said.

Chet Smith agreed. "I don't really care whether their lots are buildable or not," he said. "I'm only concerned about the betterment that we all agreed to. Now that we've got the street built, I think you need to simply agree to what we originally signed."

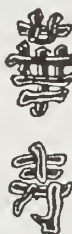

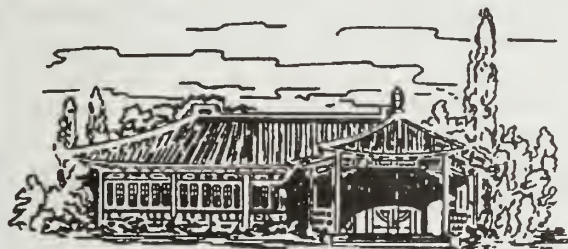

Having heard some further arguments from other residents present, Selectman Schaefer moved

to assess the betterments based on the number of built-on or buildable lots existing at the time the agreement was signed in July, 1991. Chairman Dougall seconded and passed the motion with a majority vote of the board.

Before adjourning for the evening, Mr. Pickles noted that the board will next have to determine where the overrun costs will come from for the Ichabod Lane project. Having budgeted \$81,117 for the project at the Annual Town Meeting, the project has cost an additional \$5,322.24 in overruns including the repair of a 12-inch drain and the loaming and re-seeding of adjacent property.

There being no further matters to come before the board, they adjourned for the evening at 8:33 pm.

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 13 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira. Selectman David L. Hughes was on vacation.

After approving the minutes of the September 6 meeting, Chairwoman Hawkes called upon Anne Wolf of the Rochester Republican Town Committee to make a presentation to the Firemen's Association. Ms. Wolf presented a \$100 check to Lt. Scott Weigel to go toward the purchase of a new dry suit for the association, citing their having done "a lot for the community in the past." Lt. Weigel accepted the check and thanked Ms. Wolf for the committee's donation.

Next on the agenda was a Pole Hearing to approve the location of a telephone pole on Neck

Road. Mr. Thibodeau of New England Telephone explained that the pole would provide service to the new subdivision on Briarwood Lane. There being no abutments present to contest the matter, the pole location request was granted with a majority vote of the board.

Under incoming correspondence for the week, the board received copies of Determinations of Applicability from the Conservation Commission (ConCom) for Frank Cabral, Jr. of 459 New Bedford Road and Thomas Tansey, P.E., of the SEMASS Partnership; copy of an amended Orders of Condition for Ann C. Blasenak of 1009 Walnut Plain Road; and Stipulations to Compliance for Bryant D. Palmer for Plan 11, Lot 4.

The Buzzards Bay Project (BBP) requested that the board sign a contract to appropriate grant monies to hire a full-time conservation agent to be used jointly by Rochester, Marion and New Bedford. The agent will work two days a week in Rochester, two days a week in Marion and one day a week in New Bedford.

Finance Committee (FinCom) Chairwoman Pat Ryan asked why New Bedford was now in on the deal. Chairwoman Hawkes explained that they had agreed to pay for the agent's health benefits if they could utilize his/her services one day a week.

Neither Marion nor Rochester could afford to pay for the benefits, so it was agreed upon by the representatives of both towns to allow New Bedford to join in.

The BBP noted that an initial \$16,900 will be needed up front to hire the conservation agent and Chairwoman Hawkes said that Marion has agreed to pay this amount, meaning there will be no cost to Rochester at the present time.

Dennis Luttrell, the Executive Director of the Buzzards Bay Action Committee (BBAC) also sent a letter to the board thanking them for supporting their efforts and assisting them in securing state funding for the year. Mr. Luttrell also reminded the board that starting this Saturday, September 18 and running through October 11, the annual Coastsweep program coordinated by Massachusetts Coastal Zone Management will be in full swing. Mr. Luttrell urged the board to designate one day during this time to cleaning up the shorelines in the tri-town area.

The Massachusetts Department of Revenue next certified the town's Free Cash amount for the next fiscal year at \$295,482 as of July 1, 1993.

Lastly, the Department of Revenue also submitted information on the 1994 tax rates and recalculations for local contributions to schools which will need to be done to bring the budget in line. Chairwoman Hawkes noted that the Town of Rochester will need to also make adjustments for their one-time increase in revenue from SEMASS.

Under notices for the week, Attorney General Scott Harshbarger invited town officials to attend a Municipal Forum which will be held on Wednesday, October 6 from 7:30 am to 1:00 pm in Marlboro, MA. Those interested in attending should respond by September 22. Tickets for the forum are \$30 per person.

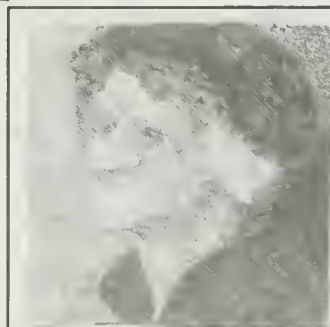

At 7:15 pm, Chairwoman Hawkes reopened the Earth Removal Hearing for Great Bear Farms, Inc. President James Rezendes noted a few modifications he would like in the Order of Conditions as proposed by the ConCom and Board of Selectmen. The major changes he suggested dealt with orders barring him from removing any topsoil from the site, notifying only those abutters within 500 feet of the site instead of all immediate abutters to the property, limiting the direction of travel for

outgoing trucks unless soil is being sent to a location within town, and the establishment of a 100-foot right of way, which already exists at the site.

The board seemed amicable to the changes proposed, but Chairwoman Hawkes noted that she would like to wait until the entire board is present before making a final decision. "With some of the changes you've proposed, I would like to wait until Mr. Hughes is present before granting the permit," she said. With that, the hearing was continued to 7:00 pm on Monday, September 20.

FinCom Chairwoman Pat Ryan then came before the board to discuss some pending budget issues, including the upcoming repairs on Mary's Pond bridge and some budget changes with the town's school budget.

"It looks like we're going to have to hold a Special Town Meeting to appropriate money back from Memorial School," she said. "But I wouldn't leap into setting a date until we know how we're going to handle the (bridge repairs)."

Ms. Ryan noted that the entire FinCom is adamant about leaving Free Cash alone to allow a buffer for the next Annual Town Meeting. Since the town has budgeted more than the required amount for school spending, the state will also be giving them some equity aid back, which Ms. Ryan hopes to use for such pending projects.

"We're expecting \$12,806 back from Old Colony and \$93,004 from ORR," she said. "This money will be coming back to us, we just don't know when or how. The state may allow them to simply write us a check, or it may have to be done through a lowered assessment."

Ms. Ryan also said that the town has to vote back some \$80,000 to Memorial School which was not integrated into their latest fiscal budget, part of which was lost when the town cut their budget by \$47,000 last year.

"The reason we get Equity Aid from the state is because we're above the state minimum per capita," she explained. "We're not above the state average as far as per pupil spending, but we are in terms of the amount of money we spend on education per tax dollar." Rochester currently spends about \$12.80 per \$1,000 on education; the state average is \$9.40 per \$1,000.

Despite these few necessary alterations, Ms. Ryan agreed that the town is going to be in very good financial shape this year. "It's nice for a change to feel comfortable," she said. "One way or another, we're going to be able to hold our head above water unless a major disaster strikes. I think we'll have enough Free Cash over the next few years to allow us to replace outdated equipment on an annual basis."

Under New Business, the board granted a request for an Auctioneer's License to Joe Thompson for the annual Woman's Club Auction to be held on Saturday, September 25 from 6:00 pm to 1:00 am at the club house on Route 105. Chairwoman Hawkes moved to grant the license and waive the fee since the event is a charitable fundraiser.

There being no further matters to come before the board, they adjourned at 7:41 pm.

Now Playing **True Romance is a Violent Mishmash of Film Genres and Ideas**

By Kenneth J. Souza

• *True Romance*. Starring Christian Slater, Patricia Arquette, Dennis Hopper, Christopher Walken. Directed by Tony Scott. Rated R (language, graphic violence, sexual content).

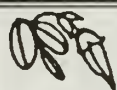

If a film's reputation precedes itself, indeed *True Romance* has been falsely heralded as "one of the most violent films of the year." Although there are some eye-opening scenes of violence in the film, it pales in comparison to some other — and, yes,

better — films of the "romantic chase/road picture" genre.

Pop director Tony Scott (*Top Gun*, *Beverly Hills Cop II*) opts more for the neon-lit, sanitized version of Chicago's underworld and, in some ways, has hurt a smart, whiplash script from prodigy Quentin Tarantino, the writer/director whose debut last year, *Reservoir Dogs*, grabbed audiences by the collar and shook new life into an all-but-ignored style of realistic filmmaking.

The story tells the tale of Clarence (Slater) who is the quintessential romantic personified — he works at a comic book store, relishes Kung Fu movies, and listens to the ghost of Elvis as his conscience. Clarence meets prostitute Alabama (Arquette) and instantly falls in love with her. Of course, he now has to cut the ties to her former pimp and makes the mistake of getting involved — and wanted — by not only the local police, but also the drug-dealing mafia by killing the pimp (Gary Oldman). In turn, Clarence also gets stuck with half a million dollars worth of cocaine, making him an easy target for cops and crooks alike.

Here the dialogue is as crisp and sharp as in *Reservoir Dogs* and the performances of a bevy of brilliant character actors save the film from falling into the void of regurgitated Hollywood hokum. Standout performances include Dennis Hopper as

Clarence's father, a former cop willing to cover up for his son; Christopher Walken as the mafia's lawyer/mouthpiece; Val Kilmer as the recurring ghost of Elvis; Brad Pitt as a drugged-out, hippie friend of Clarence's west coast ally; Bronson Pinchot as the nervous, quirky assistant to a Hollywood producer; and Gary Oldman as Alabama's former pimp.

Luckily, director Scott hasn't inflicted enough damage to totally ruin the fast-paced fun of the film which affects a road picture not unlike *Bonnie & Clyde* or David Lynch's ultra-violent *Wild at Heart*. But, watching the crescendo of each scene come to a screeching halt as Scott either cuts away from the impending violence or reduces everything to quick cut shots more appropriate to a music video, certainly made me long for screenwriter Tarantino to be the one behind the camera calling the shots. As a fledgling director he proved his mettle with well-timed, uncompromising shots which heightened the level of tension and violence

in his otherwise tame debut.

Sadly, the one scene that does become obliterated under Scott's reign is a final shoot-out which, instead of showing the ensuing mayhem, becomes mayhem itself. In a wash of tight shots with feathers flying through the air (apparently Hollywood couches are all readily stocked with feather-filled throw pillows) it's difficult to tell who's shooting, who's being shot and, ultimately, who's been shot. If Scott's intent was to make a tongue-in-cheek ending which seems silly, he has succeeded. Otherwise, he marred what could have been a real edge-of-your-seat conclusion.

But the film is still worth the time if just for some fine supporting performances and Quentin Tarantino's keen wit. It left me anxious to see his next production — hopefully one which he, himself, directs — and feeling somewhat lackluster about Tony Scott's ever-mindful attempt to make a commercial hit.

Letters to the Editor

To the Editor:

The Friends of the Mattapoisett Town Band Committee wish to thank everyone who gave support to the band concerts by either purchasing a badge or by private donation. The concerts were enjoyed by all as evidenced by the good turnout at each concert.

We also thank the director and the members of the band for their loyalty each week in performing a wide variety of music — something for everyone!

Sincerely,

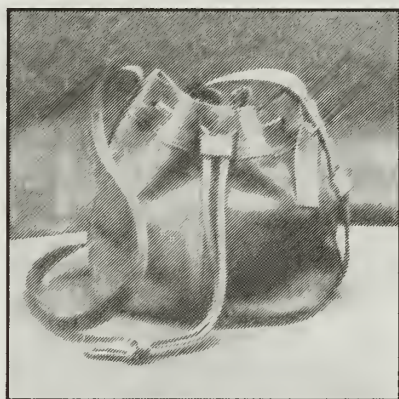

Lois Murray

Mattapoisett Town Band Committee

To the Editor:

I want to thank all the members of the Marion Social Club and President Joseph E. Singleton for the wonderful Chicken Barbecue Dinner they provided for the Marion Seniors on August 22.

will begin to dredge the harbor, disturbing the toxins in the water and sending them into the air. The toxicologists we have spoken with agree that nothing good comes out of those stacks.

The only thing that will stop the incineration is political pressure. What is political pressure? Simple — it is *you* picking up the telephone today, calling elected officials with the following demands:

1. A new study of Agent Orange by the Institute of Medicine for the Veterans Administration indicates that one of incineration's by-products, dioxin (a component of Agent Orange) causes at least three different kinds of cancer: soft tissue sarcoma, non-Hodgkin's lymphoma and Hodgkin's disease, and porphyria cutanea tarda. The report also points to possible links between exposure to dioxins and respiratory cancer (lung, larynx, trachea), prostate cancer, and multiple myeloma. Other new evidence reveals that incineration is even more dangerous than previously thought, therefore:

2. The EPA must overturn the Record of Decision to incinerate the toxic material in New Bedford Harbor.

3. Alternative measures must be evaluated to deal safely with the harbor.

4. An EPA Regional Director for Region I must be appointed *now*. Eight months of an acting director

is long enough and too long.

If elected officials — who work for you and want to be re-elected — get inundated with telephone calls, they will listen and act. Every telephone call counts — the incinerator and its attendant health threat will not go away unless we drive it away.

Call: Senator John Kerry (617-565-8519); Senator Edward Kennedy (617-565-3170); Governor William Weld (617-727-6250); President William Clinton (202-456-1111).

Adoptable Animals Kitten Kall

One of the kittens found at The Fall River Country Club a few weeks ago has been adopted out to a Taunton family, but her four siblings — who are just as adorable — are still waiting for the right golfer to come along and "pitch" them up. The kittens are all tigers with white markings.

The two black and white sister cats from Marion have also been adopted.

• Two orange and white very fluffy males — they must go as a pair as they've been inseparable since birth. Both have been vet-checked and have had all their shots.

• An orange neutered tiger abandoned by a family with two children ... a real love!

• Three tortoise shell kittens and three orange tiger males rescued in Westport and are now in foster care in Assonet. If interested, please call Betty Ann at 644-5347.

• We also have some adult companion cats looking for new homes — including "Charlie," a declawed and spayed calico that was featured two weeks ago.

News from the Lost and Found Department this week:

• A young, all-white Angora wearing a flea collar was found near cranberry bogs in the Acushnet Road area.

• A four-and-a-half-month old orange and white male kitten — who recently lost his left eye — was found on Summer Street in Mattapoisett. Please call 758-3448.

• At North Street and Crook's Way in Mattapoisett — another one-eyed adult cat, black and white female with a black spot under her chin. Please call 758-2233.

With the exception of the above numbers, if you would like to adopt any of these wonderful animals, please call one of our local Animal Umbrella representatives — either Mary Lou Kobak (994-6168) or Diane East (997-4037). To assist in their efforts or to report any other lost or found pets in the area, you can also call either number.

The group has recently reported taking in a new litter of fluffy, part-Siamese kittens (all about five weeks old). They should be ready for adoption in another week or so. If you're interested, please call one of the Animal Umbrella representatives and be sure to check here for all the latest news on adoptable pets in the tri-town area.

Uniforms Needed

Attention: retired cub scouts! We could use
your old uniforms ... please contact Robert Caverly
at 758-9858 or Candace Kuhlman at 758-2316.

Open House

An open house for all boys in grades 1 to 5
interested in cub scouting will be held on Thursday,
September 23 at 7:00 pm in the Mattapoissett
Congregational Church. Flyers will be sent from
school. This open house is for new scouts only. Boys
who were in scouts last year will be hearing from
their leaders.

Mattapoissett Public Library

The trustees and staff of the Mattapoissett Public
Library have recently formed a committee to study
the issues surrounding the handicapped access at
the library. The committee is presently in an
information gathering stage. As part of this process,
the public is invited to an open meeting on
Thursday, September 23 at 4:00 pm in the
Community Room at Village Court (1 Acushnet
Road). The committee would like to hear of the
concerns Mattapoissett residents have regarding any
access issues at the library. For more information,
please call Louise Preissler at 758-4566.

Coastsweep IV Needs Volunteers

On Saturday, September 18 at 10:00 am, the
Mattapoissett Land Trust will be sponsoring the
cleanup of Angelica Point. Angelica Point is located
at the end of the Angelica Beach community. This
point of land is a favorite walking spot of many in
Mattapoissett. There, one will see a beautiful example
of our town's rich seaside heritage.

If you are interested in helping with the beach
cleanup, please join the group at that time to assist in
the effort.

This will be the Land Trust's fourth year of
sponsoring Coastsweep. In recent years the group
collected many tons of debris from the town
beaches. An expected group of 50 volunteers —
including Old Hammondtown students, the Friends
of the Elderly, and Land Trust members — will bag

and catalogue the debris found along the shore. This information will become part of the statewide and national databases about the types and amounts of items found during Coastsweep.

Mattapoisett has held cleanups for the past four years. Last year 75 individuals took part in this local effort. Statewide, more than 3,200 people participated in Coastsweep '92, with many more expected this year.

This will be the last organized Coastsweep project for this year. Individuals are encouraged to continue the beach cleanup as they walk throughout the winter months ahead. Why not take along a garbage bag the next time you are out hiking with your family and help clean a beach?

Marion Art Center

"Works on Paper" Exhibit

"Works on Paper" is the title of the exhibition opening at the Marion Art Center on Friday, September 17 from 6:00 to 8:00 pm. Four artists will be featured in the multi-media show. There will be watercolor/gouaches by Glenn Davis, a resident of Saugus; collages by Mary Ross of Brighton and Norma Sumner of Fairhaven; and polaroid transfers by Wareham artist Anne Robertson.

Ms. Robertson has been pursuing this new medium for the past few years. The images for the polaroid transfers are derived from 35mm slides. The slides are projected onto Polaroid film. The negatives from these exposures are then used to make the final images on display. The ink from the wet negative is brayered onto artist paper and then sometime manipulated or enhanced using other processes including water. The muted watercolor-like quality of the transfers convey a mysterious quality to the landscapes and other subjects she photographs.

Mary Ross is a longtime summer resident and

member of the Marion Art Center (MAC), who first exhibited in the "Sidewalk Shows" of the 1960's. Throughout the years summer has been a time of creation in Mary's Marion studio. "The peace and tranquility is a wonderful place to think and work on my new series of handmade paper semi-abstract collages," she said. With her background in painting firmly established by her years at the Massachusetts College of Art, Mary Ross extended and developed her calling with further studies at Boston University and the Museum of Fine Arts. She has had numerous one-person shows throughout New England.

Norma Sumner will be exhibiting Japanese rice paper collages. Ms. Sumner has studied with many local artists as well as participated in workshops with Ted Minchin, Don Andrews, Joe Boehler, Irving Shapiro and Frank Webb, all National Watercolor Society members. She also studied with Mary Ross in Marion. She has exhibited widely in the area and received the M.E. Post Award at Fairhaven Homecoming two years ago and the Best Show at Bourne-Wareham in 1992 and 1993.

Glenn Davis attended the New England School of Art & Design and the Montserrat School of Art. He has done commercial work for several magazines and has exhibited his watercolors at art galleries in Marblehead, Swampscott and Boston. He also participated in the Boston Artists Summer Festival and the Marblehead Festival of the Arts. This will mark the first time his work will be shown in Marion.

The "Works on Paper" show will run through October 15. Gallery hours are Tuesday - Friday, 1:00

Mattapoisett Board of Assessors

The Mattapoisett Board of Assessors is notifying taxpayers that the first half tax bills for Fiscal Year 1994 will be preliminary bills. The preliminary bill will be one-half of last year's total bill. These bills are being issued in order to avoid the need to borrow money.

We are currently conducting a full re-evaluation, which is required every nine years. This is an enormous task and will not be completed prior to October 1. Although the field work has been completed and much of the data has been entered into our new computer system, not all required analyses have been made.

In the spring, we intend to notify taxpayers by individual impact notices or by public notice in local newspapers when the new valuations are set, prior to sending the second half bills. This will enable taxpayers to question their new values prior to receiving their actual bills.

We have recently hired a new Assessors Administrator who is available during the day to answer any questions taxpayers may have.

"Know Before You Go"

Safe Boating Classes will be offered to the public by the Marion Flotilla of the U.S. Coast Guard Auxiliary. Registration will be held from 7:00 to 8:00 pm on September 22 at the Marion Music Hall (VFW) on Front Street in Marion, for the six lesson course which will meet on Wednesday nights from 7:00 to 9:00 pm at the same location.

The course will cover the fundamentals of small boat handling. Some insurance companies consider completion of an approved course, such as this one, in setting the rate you are charged for boat

"Wheels for Life" Bike-A-Thon

On Sunday, September 19 from 10:00 am to 2:00 pm there will be a "Wheels for Life" Bike-A-Thon held in Mattapoisett to raise money for St. Jude's Children's Research Hospital in Memphis, Tennessee. This institution is dedicated to the study and treatment of catastrophic childhood diseases.

The bike-a-thon will begin at the Mattapoisett Town Hall and proceed through the center of town. The length of the bike-a-thon will vary depending on how many miles the bikers will be able to complete. We are now looking for riders of all ages and abilities to join in helping this worthwhile cause. Anyone interested can pick up a sponsor sheet at one of the following Mattapoisett locations: DeCoffe's Automotive (at the Gulf sign), Seaport Pharmacy, or Circle B Gas Station/Convenience Store.

Starting with September registration, the Mattapoisett SHARE program will use a new combined registration form. This *one* paper will include: your money receipt for your food package; your community service receipt (the old pink sheet); and D-Day information including pick up time and place.

Using this one form will hopefully make registration easier for everyone. Please remember to fill in the community service portion before you come to pick up your food. This includes where you worked, what you did, when (date), the number of hours, and the signature of who you worked for.

Pick up time on D-Day (September 25) is from 12:15 pm to 1:15 pm. Please remember, if you do not pick up your food during pickup time, we will *not* hold it.

Marion Seniors Attend Barbecue

On Sunday, August 22, the Marion Seniors were treated royally by the Marion Social Club. The chicken barbecue was perfectly delicious. The Social Club members served the dinner with flair and it was apparent their dedication was most sincere. The fortunate Marion Seniors cannot thank Joe Singleton and members enough for a most delightful afternoon. And, oh yes, almost all seniors were awarded terrific prizes. What a way to wind up the good, old summertime! Thanks again to Joe and Company!

Pump Out Station Fall Operation Hours

The fall hours for the Mattapoisett Pump Out Station are Saturday and Sunday between 8:00 am and 3:00 pm. This will continue through October 10, 1993 and then will be discontinued until next year. To use the station, you simply tie up to long wharf near the swordfish. Go to the Harbormaster's building and ask to be pumped out. It's that easy and there is no charge. Please help keep our harbor clean.

Jet Skis

Prohibition from the inner harbor of PWCS, jet skis, waverunners, or wet bikes or other high-powered watercraft or similar kind of nature is now in effect. Violators will be prosecuted in accordance with the regulations of the Town of Mattapoisett and laws of the Commonwealth.

Search for the Missing Canoes

Mattapoisett Boy Scout Troop 53 is searching for four canoes that are "stored" somewhere in Mattapoisett! Their whereabouts are unknown at this time. If anyone has any information about them or knows where they are, it would be highly appreciated if they could contact Scout Master Philip Gaudet at 758-9403 or Quartermaster David Baker at

Marion Town Clerk

Marion Town Clerk Debra M. Blanchette would like to remind dog owners that their pets must be licensed for the fiscal year beginning July 1, 1993. The cost is \$7 for a spayed or neutered dog and \$10 for all others, male or female. It is necessary to provide proof of rabies vaccination at the time of obtaining a license. If the dog was licensed last year and the vaccination is still valid, it is not necessary to provide it again. All dogs three months of age or older must be licensed.

The Friends of the Elderly — Mattapoisett

Board Meeting

The next board meeting of the Friends of the Elderly will take place on Monday, September 20 at the Mattapoisett Historical Museum (5 Church Street) at 2:00 pm instead of the first Monday of the month for September. The Friends will welcome Eileen Sargent who has agreed to serve as the nineteenth member of the board.

Workshops

Craft workshops sponsored by the Friends of the Elderly will continue to be held at Village Court on the second and third Tuesday of every month from 1:30 to 3:00 pm. Small gift items will be made for the Council on Aging volunteers to bring to area nursing homes. Supervised clients from the day care center are invited to attend.

Volunteers to assist in conducting these workshops are needed and welcomed. If interested, please call Nancy at 758-6900.

Games

Bingo has resumed at the Village Court Recreation Room for our town seniors. They will meet every Wednesday from 1:30 to 3:00 pm. Light

Solgar's Commitment To Excellence

Solgar's premium line of natural vitamins, minerals, and herbs represents a commitment to excellence since 1947.

As a result of this commitment, we're one of the few nutritional supplement companies that actually makes its own products. We manufacture and package our products in our own facilities in accordance with the Federal Food and Drug regulations. Production runs are planned so that fresh merchandise is always available. Throughout the manufacturing process, rigorous tests are performed on both raw material and finished product for potency, purity, uniformity, and disintegration. We absolutely reject any product that does not pass our strict standards for quality.

In fact, our commitment even dictates that we avoid ingredients which may be of concern to customers. We never add sugar, starch, salt, preservatives, artificial flavors or colors. We have successfully eliminated potential allergens from most of our products, including dairy products, wheat, gluten, soy, corn, yeast, salicylates and animal derivatives.

Our commitment extends to packaging, where we use amber glass bottles instead of plastic. They're better suited to maintain our product's potency, clearly show the vitamins inside, and are more environmentally friendly. In addition, our bottles are sealed to protect against tampering, and shipped to our customers directly from our own warehouses.

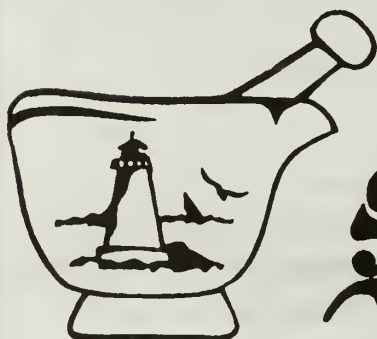

Finally, we're committed to developing new products beneficial to health. An idea must be proven truly effective and safe before it becomes a part of a Solgar product. We design our products to reflect the most current scientific knowledge in the area of nutritional supplementation and human health.

It's our commitment that's made Solgar's Gold Label the industry symbol of quality, and it's the reason why, as always, you can . . . Be sure with Solgar.

Offering you three complete lines of vitamins to help you make educated decisions.
